Dust and fumes	B12
Asbestos	B13
Silica dust	B14
Noise and vibration	
Noise	B15
Hand-arm vibration	B16
Hazardous substances	
COSHH	B17
Lead, lead paint and lead dust	B18
Manual handling	
Manual handling	B19
GENERAL SAFETY	C
Site set up and security	
Site set up and security	C01
Safety signs	C02
Material storage	C03
Slips, trips and falls [Housekeeping]	C04
Fire prevention and control	
Fire	C05
LPG and other compressed gasses	C06
Petrol and diesel	C07
Electrical safety	
Underground and overhead services	C08
Temporary works	
Temporary works	C09

Work equipment and hand-held tools	
Plant and equipment	C10
Abrasive wheels	C11
Diamond blades	C12
Cartridge-operated tools	C13
Compressed gas tools	C14
Woodworking machines	C15
Portable, hand-held electrical tools	C16

Site transport safety	
Site transport and pedestrian segregation	C17
Mobile plant	C18

Lifting operations	
Lifting operations	C19
Lifting equipment and accessories	C20
Hoists and hoist towers	C21
Signallers and slingers	C22

HIGH RISK ACTIVITIES	D
-----------------------------	----------

Working at height	
Working at height	D01
Fragile roofs	D02
Working on scaffolds	D03
Mobile towers and access equipment	D04
Low-level access equipment [trestles, podiums and hop ups]	D05
Ladders and stepladders	D06
Mobile elevating work platforms	D07
Fall arrest and suspension equipment	D08
Working over safety nets or soft-landing systems	D09

Excavation and underground services	
Excavations	D10
Underground services	D11

Confined space working	
Confined spaces	D12

ENVIRONMENT

Environmental management	E
Being a good neighbour	E02
Environmental nuisance	E02
Emergency spill control	E03
Cement, concrete and plaster	E04
Pumping, over-pumping and washing down plant	E05
Fuel and oil	E06
Energy and water efficiency	E07
Wildlife	E08
Invasive plants	E09
Working around trees and hedgerows	E10
Waste management	
Waste	E11
